

# Product Construction

for Kwalu® Classic Seating

10 year  
performance  
warranty

Patented **steel-reinforced joint system** – over 20 pieces of steel used in most Kwalu® Classic chairs!

Each joint is fused with high-density polyurethane.

Wood-grained effect is 1/8" thick – color goes all the way through for **Looks that Last®**

High-impact resistant polymer finish will not chip, crack or split.

**Kwalu, Designed to Last®**
