FURNITURE FOR SENIOR LIVING

Creating memorable first impressions is the goal of designing spaces for seniors. Kwalu designs furniture that attracts new and existing residents to senior living communities. Kwalu furniture features warm wood-like finishes that are stylish and sophisticated, while providing timeless appeal. Our beautifully designed furniture, made of high-impact-resilient polymer with patented joint construction, can be easily cleaned frequently with EPA registered cleaning products to promote a healthier senior living surface environment. All products are backed by our unique 10-year warranty on construction and finish and cover the continuum of senior living – independent living, assisted living, short-term rehabilitation, memory care and skilled nursing. Kwalu provides elegant senior living furniture that is Designed to Last®.

Dovera Sofa, Monreale Lounge, and Ventiseri End Table

Kwalu has been designing furniture for senior living for more than three decades. In that time, we have become very aware of the preferred seating models. Providing solutions that are as intriguing as they are inviting is the Kwalu signature for lounge seating and occasional tables. Lounge seating includes wing backs, fully upholstered and deeply cushioned collections; all with arms set at the optimum height to support independent ingress and egress, all, extremely comfortable. Kwalu offers styles to suit every community from traditional to modern and contemporary. Kwalu is proud to supply industry-leading furniture solutions.

Saluzzo Dining Chairs

Formal Dining

The dining room is the most regularly and heavily used common area in senior living. As an industry-leading supplier and manufacturer of Dining Chair furnishings, Kwalu takes great care to ensure each piece is designed to be safe, durable, and elegant for Senior Living environments. Our product's surfaces can be cleaned thoroughly with soap and water and disinfected with products that contain alcohol or bleach. Our dining chairs include styles with and without arms, bariatric seating models, café seating, benches, bar, and counter stools.

Bistros are gaining ground in the senior living dining arena. Preferred by the active and more social residents, bistros offer unstructured, casual locales featuring fresh dining choices, usually prepared on request. The furniture here should be like the food, fresh and comfortable. Kwalu's bistro furniture includes a number of square backed or curved back bar and counter height stools, round table tops for two and rectangular tops for small groups.

Game Room

Of all of the common areas in senior living environments, the game room is one of the most versatile. This room is suitable for small gatherings, lectures, luncheons and games. The furniture in the game room should be flexible; easily moved to accommodate the activities of the space. Kwalu is the solution, providing luxurious lounge options as well as tables and chairs for the game room.
